* Gender pay gap: Ratio of female employees' salaries to male employees' salaries as defined in the Act on Promotion of Women's Participation and Advancement in the Workplace (average yearly salary for females / average yearly salary for males)

* The gender pay gap is caused not by differences in the amounts paid for identical work, but by differences in the percentages of employees at each seniority level, the percentages of employees limited to specific locations, years of service, working hours, and other factors

* The division of regular employees into managers and general staff is an optional disclosure item

* The statistics for FY2021 precede the introduction of statutory disclosure in FY2022 and are theoretical figures. For this reason, the calculation method used was different from that for FY2022

*1 All workers: Employees and temporary employees

*2 Employees: Workers in regular employment and non-regular employees who have worked full-time over long periods

*3 Temporary employees: Part-timers and employees on limited-term contracts (excluding dispatched workers)
