Societies worldwide

We seek to accurately understand international rules, as well as the laws, histories, cultures, and customs of the various countries and regions we operate in, and we intend to work hard to comply with and respect them.

Consumers

We believe it is our responsibility to provide our customers with high quality offering for safety, reliability, satisfaction, and happiness. We also aim to achieve customer satisfaction through a cycle of customer-oriented communications that comprises "listening," "knowing," and "using."

Value provided

- Provision of products that contribute to
 - - Co-creating new added value

Business partners

Our procurement activities are rooted in the NH Foods Group Sustainable Procurement Policy; we intend to establish relationships of trust with our business partners and work with them to realize co-existence and mutual prosperity.

Stakeholder engagement

The NH Foods Group is only able to carry out its business activities with the support of all its stakeholders, including our customers, local communities, business partners, shareholders and other investors, as well as our employees.

In order to fulfil the expectations and earn the trust of our stakeholders, we intend to execute our responsibilities and duties to society with self-awareness and pride.

Employees

Local communities

As both a member of local

communities and a good corporate citizen, the NH

Foods Group aims to actively

engage in communications that contribute to sustainable

regional development. We

also intend to consider both

what we can do and what is expected of us, and exist in

harmony with local communities.

We aim to establish a place where employees can feel truly happy and fulfilled. In addition, we are engaged in activities that seek to develop employee awareness and skills, realize a healthy work-life balance, promote diversity, and maintain healthy minds and bodies.

• Constructive dialogue and

- Compliance with laws and
- development in partnership wit

- - shareholders and investors

Governments

We intend to comply with the laws and regulations of each of the countries and regions we operate in, actively exchange information with governments, and develop our business. If we realize that accidents have occurred, or if we think there is a risk that accidents might occur, we will report this to the relevant authorities and work hard to investigate and identify the causes.

Shareholders and other investors

In order to establish relationships of trust with our shareholders and other investors, we place great importance on communication and try to ensure that we incorporate the opinions and requests we receive into our corporate activities
