

### Environmental conservation

□ P. 08-

## GOAL

To create enjoyable and healthy lives, and achieve harmony with the global environment that nurtures the blessings of life.

### Organizational culture focused on new challenges

□ P. 24-

### Sustainable livestock farming

□ P. 15-

### Healthier minds, healthier bodies

□ P. 19-

Good for the planet, good for us

## For a Sustainable Future

The NH Foods Group aims to create enjoyable and healthy lives, and achieve harmony with the global environment that nurtures the blessings of life. To achieve this goal, we are taking actions under the themes of environmental conservation, sustainable livestock farming, healthier minds, healthier bodies, and organizational culture focused on new challenges.
