Dear Members of the Media

Notice of Product Price Revisions

NH Foods Ltd. (headquartered in Kita-ku, Osaka; headed by Nobuhisa Ikawa, President and Representative Director) will revise the delivery prices of some products effective October 1, 2024.

The weaker yen has led to steep rises in procurement prices for raw materials and materials, as well as ongoing rises in labor costs. While we continue to make corporate efforts, it has become extremely difficult to absorb the rise in costs.

We will continue to make further efforts to deliver high-quality, safe, and reliable products to our customers. We appreciate your kind understanding.

Date of revision: S October 1, 2024

Details of revision: Changes in delivery prices for consumer products, commercial-use products (Revision rate of 2% to 22%)
