

## 食肉事業本部 Fresh Meats Business Division

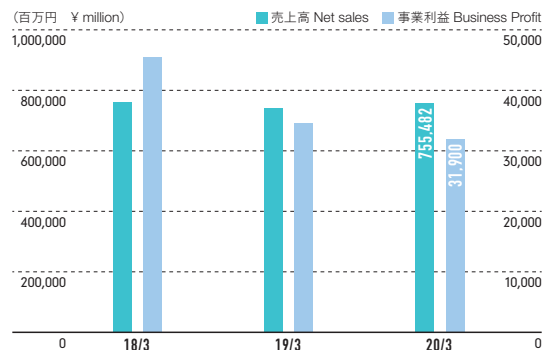

食肉事業本部は、生産から販売までをグループ内で手がけるインテグレーションシステムに裏打ちされた、供給体制と販売体制を最大の強みとし、ブランド食肉を中心に商品展開をしていきます。供給体制については国内外におけるグループ自社農場からの供給を含めた、グローバルな調達ネットワークと物流網を構築しています。また、国内における販売体制においても東京と大阪の物流センターを中心に、全国各地に網羅された営業拠点からスピーディーに供給できる体制を作り上げています。

One of the Fresh Meats Business Division's greatest strengths is its supply and sales systems underpinned by the Group's integrated production system, which is involved in everything from production to sales. The division plans to develop its products with a focus on brand meat products. Regarding our supply system, the Group has built a global procurement network that includes securing supplies from our group-owned farms both in Japan and overseas as well as a distributions system. Furthermore, the Group is also building a network for its domestic sales system, which can speedily supply products from its sales bases located throughout Japan, spearheaded by its distribution centers in Tokyo and Osaka.
